# TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT ("Agreement"), dated October 14, 2010, is made by Hicksgas, LLC, a Delaware limited liability company ("Assignor"), in favor of Wells Fargo Bank, National Association, as agent for certain lenders (in such capacity, together with any permitted successors and assigns, "Assignee"). Capitalized terms used in this Agreement and not defined herein have the meanings set forth for such terms in the Security Agreement (as hereinafter defined).

WHEREAS, Assignor is the applicant or registrant for the trademarks and service marks listed on the annexed Schedule 1 hereto, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, the Assignor has entered into a Pledge and Security Agreement, dated as of October 14, 2010, among Assignor and the other grantors signatory thereto, and Assignee (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, as collateral security for all of the Obligations, Assignor has pledged and assigned to Assignee, and granted to Assignee, for the benefit of the Lender Parties (as such terms are defined in the Security Agreement) a continuing security interest in the Trademarks, together with, among other things, the goodwill of the business symbolized by and associated with the Trademarks and the applications and registrations thereof, and all proceeds thereof (the "Collateral");

NOW, THEREFORE, in consideration of the premises and agreements made herein and in the Security Agreement, as collateral security for all of the Obligations, Assignor hereby pledges and assigns to the Assignee, and grants to the Assignee, for its benefit and the benefit of the Lender Parties, a continuing security interest in the Collateral.

Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated by reference herein as if fully set forth herein.

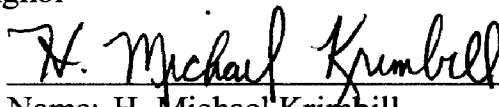

Upon full satisfaction of the Obligations, complete performance of all of the obligations of the Credit Parties under the Loan Documents and final termination of each Lender's obligations – if any – to make any further advances under any Note or to provide any other financial accommodations to any Credit Party, all rights under this Agreement shall terminate and the Collateral shall become wholly clear of the security interest evidenced hereby, and upon written request by Assignor such security interest shall be released by Assignee in due form and at Assignor's cost; provided, however, that this Agreement shall be reinstated if at any time any payment of any of the obligations under the Loan Documents is rescinded or must otherwise be returned by the Assignee, the Lenders, or any of their respective affiliates or branches on the insolvency, bankruptcy or reorganization of any Credit Party or otherwise, all as though the payment had not been made.
